

D1K

FEATURES

High-end analog signal path with optical dynamics processing
 Extremely high fidelity class-D power amplifier
 Switch-mode power supply
 Very low, frequency-independent THD performance
 Preconfigured loudspeaker management
 90% total efficiency
 Very low total weight

SPECIFICATIONS

Output Power (2) 500W(cont)/8ohms both channels driven
 Output Power (2) 1500W(peak)/8ohms
 THD+N at -3dB <0.3% (1kHz)
 THD+N at +10dB limit <1% (1kHz)

DIMENSIONS

483mm(19") x 88mm(2u) x 290mm
 Weight: 5kg

D2K

FEATURES

High-end analog signal path with optical dynamics processing
 Extremely high fidelity class-D power amplifier
 Switch-mode power supply
 Very low, frequency-independent THD performance
 Preconfigured loudspeaker management
 90% total efficiency
 Very low total weight

SPECIFICATIONS

Output Power (2) 1500W(cont)/4ohms or
 20hms both channels driven
 Output Power 2000W+1000W(cont)/4ohms
 or 20hms both unsymmetrical mode
 THD+N at -3dB <0.3% (1kHz)
 THD+N at +10dB limit <1% (1kHz)

DIMENSIONS

483mm(19") x 88mm(2u) x 349mm
 Weight: 7kg

D2W

FEATURES

High-end analog signal path with optical dynamics processing
 Extremely high fidelity class-D power amplifier
 Switch-mode power supply
 Very low, frequency-independent THD performance
 Preconfigured loudspeaker management
 90% total efficiency
 Very low total weight
 2 in 4 out fixed bi-amp stereo routing

SPECIFICATIONS

Output Power (4) 500W(cont)/8ohms
 THD+N at -3dB <0.3% (1kHz)
 THD+N at +10dB limit <1% (1kHz)

DIMENSIONS

483mm(19") x 88mm(2u) x 349mm
 Weight: 6kg

D5K

FEATURES

High-end analog signal path with optical dynamics processing
 Extremely high fidelity class-D power amplifier
 Dual Switch-mode power supply
 Very low, frequency-independent THD performance
 Optimized for subwoofers
 90% total efficiency
 Very low total weight

SPECIFICATIONS

Output Power (2) 2500W(cont)/4ohms both channels driven
 Output Power (2) 6000W(peak)/4ohms both channels driven
 THD+N at -3dB <0.3% (1kHz)
 THD+N at +10dB limit <1% (1kHz)

DIMENSIONS

483mm(19") x 88mm(2u) x 429mm
 Weight: 9kg
